deer lakes high school
east union road
r.d.l, cheswick, pa.

she loves . . .

her family
- going on trips with her husband, Andy
- watching Andy Jr. playing football for West Deer High
- smiling at Gail's excellent grades
- visiting her grandchildren

nature
- camping out in the summer and fishing the lakes
- hiking the Applachia Trail
- standing on the Great Smoky Mountain and breathing the misty morning

her God
- seeking solace in the Deer Creek Presbyterian Church
- speaking well of her fellow man
- frowning at foul language and immodesty in some young girls

her teaching
- standing in the hall by the gym door with her arms around young ladies listening to their troubles
- walking smilingly into her Science or Family Living and Health classes
- tooting her whistle during a girls softball game, hurrying them to the showers
- going to the library early in the morning for a coffee break with her friends Stella, Elizabeth Gerry, and others
- calling everyone by his first name to show she knew and cared

. . . she is loved
